FUN in Tampa, plus NEWPS!

January 19, 2011

Greetings!

We had a great show at FUN, which was held in Tampa this year instead of Orlando. It was great to see a lot of you at the show! The bourse floor seemed crowded, my table was constantly busy, and sales were good. All of these things are good signs for the coin market. And, my flight made it out just before the airport closed down because of the winter storm!

As usual, we were able to find some great coins for you to consider. Highlights of the newps are the 1805 half dime in PCGS VF-20, a very rare (R7) **1827 JR-10 dime** with VF details, "affordable" examples of the **1877 and 1878 20c pieces**, an **1873 No Arrows Closed 3 quarter in PCGS XF-45**, two **gorgeous toned Capped Bust halves (1822 and 1825) in PCGS holders**, and some nice Seated halves and high-grade slabbed 1861 and 1868 Seated dollars. The complete listing of our **newps** is shown in the table below. **If you see any coin(s) of interest, please call (717)533-2935 or e-mail us to reserve the coin(s)** that you want. Pictures will be coming soon!

Some new discoveries

Recently a new variety of Capped Bust dime was discovered. The 1827 JR-14 consists of the obverse of the 1827/7 (JR-1) plus the reverse of the 1827 JR-2. The latest discovery in half dimes is the 1835 LM-12. And recently one of our customers cherrypicked an 1829 Curl Base 2 which was graded at FUN PCGS VF-35!
